

Windsor High School After Prom Committee

Mission

The mission of the After Prom Committee is to provide a safe and fun environment where students can gather to enjoy games, food and entertainment immediately following Prom. All juniors and seniors, whether or not they attend Prom, are invited to participate in the event. After Prom is FREE to all Windsor High School juniors and seniors, along with their guest.

General Information

Each year a group of parent volunteers, along with the support and cooperation of the Windsor High School administration, coordinates the After Prom Party for the junior and senior students of Windsor High School. The 2016 prom will mark the 23th anniversary of After Prom.

This awesome event can cost between \$15,000 and \$18,000 and is funded through three to four major fundraising activities that are held during the course of the school year. Parent volunteers are needed to work these events, as well as help the night of After Prom itself.

Meetings

After Prom Committee meetings are typically held the third Monday of every month at 6:30 pm in the Windsor High School Fireside room.
