

Windsor High School  
After Prom Committee

**Mission**

The mission of the After Prom Committee is to provide a safe and fun environment where students can gather to enjoy games, food and entertainment immediately following Prom. All juniors and seniors, whether or not they attend Prom, are invited to participate in the event. After Prom is open to all Windsor High School juniors and seniors, along with their guests.

**General Information**

Each year a group of parent volunteers, along with the support and cooperation of the Windsor High School administration, coordinates the After Prom Party for the junior and senior students of Windsor High School. This event can cost between \$20,000 and \$25,000 depending on the venue and is funded through fundraising activities, and private sponsor donations that are obtained by the After Prom Committee volunteers.

**Parent volunteers**

Volunteers are needed to help plan the event, plan and manage fundraisers, obtain sponsors and help at the After Prom event night.

**Meetings**

After Prom Committee meetings are typically held monthly during the school year, and occasionally in the summer to plan the fall fundraiser if needed.
