Mission Statement

Windsor High School, in the tradition of excellence, empowers, inspires, and challenges the members of our school community to achieve high standards and to pursue success as life-long learners in their personal, academic, and professional lives.
Our Vision…
Innovative Education for the Future

Our Mission…
Empowering students to achieve success in a safe collaborative environment.

We Believe In…

• Building foundations for life-long learning
• Digital learning
• Responsible citizenship
• Character development
• Innovation
• High standards for our learning community
• Community engagement
• A safe, healthy and positive learning environment
• The uniqueness of the individual
• Celebrating accomplishments
• Treating challenges as opportunities
• A wise steward of resources
• Learning as a shared responsibility
Our 2015-2016 Strategic Directions...

• **21st Century Skills:**
The District will provide a sound instructional foundation so that every student will apply essential skills needed for success including: critical thinking, problem-solving and knowledge acquisition; communication and collaboration; creativity and production; technology and citizenship in the digital age.

• **Student Achievement:**
The District will provide a sound instructional foundation so that every student will demonstrate the knowledge and understanding necessary to achieve success in a global society.

• **Safety and Wellness:**
The District will provide facilities and services that allow students, staff and the community an inclusive, safe, positive and healthy environment.

• **Human Resources:**
The District will provide students the opportunity for success with the guidance of a highly-qualified staff who apply 21st century skills.

• **Community and Communication:**
The District will provide community members with communication, collaboration, and participation opportunities..

• **Stewardship of Resources:**
The District will provide facilities and services that allow students, staff and the community an inclusive, safe, positive and healthy environment.
